Fall Workshop:

How to handle registration: recommended all electronic registration and payments. All through Star Chapter (Star Pay). Alex will recircle back with Star Chapter after he creates the registration.

Alex inquired if we would have a vendor hall. There will possibly be a vendor hall. In the past it has been difficult to get people to attend the vendor hall. Suggested we reach out to our vendors. Vendors normally located in the entry hall.

Talk About it Tuesday- May 24th at 9am. Marcy will be on; Alex will try to get on. Robbie unable to attend. Topics of discussion: new board members, membership, social media, workshop, speakers, award program, scholarship, and volunteer opportunities.

Robbie has been active developing and updating Facebook page. We will pit more information after Talk about it Tuesday.

Awards Program- We will recognize the 2021 winners. 2021 Winners have already received their plaques. No recipients this year. Look to build a committee during workshop.

Vacant positions & Committee Volunteer Recruitment: Having volunteers for committees (workshop, awards, merchandise). May get volunteers while we are at the workshop this year so we can meet new people and gain new members.

Trying to rebuild the chapter is our primary focus and we can work towards another committee.

Melissa will have a couple of volunteers. Marcy will have about 6 volunteers from her Center.
